Dear Mr. Gushee:

We have reviewed the executed documents you submitted to transfer authorization to operate from Southwestern Cement Enterprises, Inc. to Ash Grove Cement West, Inc. We find them adequate to complete the transfer.

The bond furnished by Ash Grove is approved and now covers the operations. Southwestern has been notified, by separate letter, that the bond Southwestern furnished is no longer needed and may be discontinued.

We are returning one of each of the following documents for your use:

1. Resolution of the Board of Directors of Southwestern authorizing the transfer;
2. Resolution of the Board of Directors of Ash Grove authorizing acceptance of the transfer;
3. Transfer of Notice of Intention, Large Mining Operations (Form MR-TRL);
4. Reclamation Performance Bond (Form FS-6500-7), with Joint-Agency Reclamation Surety Agreement (Form MR-JASA);
5. Reclamation Contract (Form MR-RC).

We have enjoyed working with you in completing the transfer and appreciate your cooperation. If there are any questions or concerns, please call Mr. Lynn Findlay at this office (896-9233), or Mr. Bill Wright at the Forest Service office (743-5721) in Fillmore, Utah.

Sincerely,

Ronald K. Jew
